Thursday 10 November 2011

0730–1700	Registration and speakers' support centre opens Industry exhibition opens
0730–0815	Delegate welcome tea and coffee with light breakfast <i>Presented by Nobel Biocare</i> Exhibition Hall
0815–0830	Opening plenary session & welcome Hall C
0830–0930	Plenary 1: Differences: the effect of different bone heights on the choice of an aesthetic implant prosthesis Dr Fernando Rojas-Vizcaya <i>Sponsored by Astra Tech</i>
0930–1030	Plenary 2: Patient-centred implant treatment giving reliability through simplicity (part 1) Prof Hugo De Bruyn <i>Sponsored by Henry Schein Halas</i>
1030–1100	Morning tea Exhibition Hall
	Plenary session Hall C
1100–1145	Plenary 3: Implant complications Prof Anthony Pogrel <i>AOS speaker</i>
1145–1230	Plenary 4: Implant Impressions: observing due diligence Prof Dale Howes <i>AOS speaker</i>
1230–1330	Lunch Exhibition Hall
	Keynote session Hall C
1330–1415	Keynote 1: The nature of an implant surface: what matters? Dr Clark Stanford <i>Sponsored by Astra Tech</i>
1415–1500	Keynote 2: GBR with membranes and meshes in the atrophic ridges Prof Carlo Maiorana <i>Sponsored by Henry Schein Halas</i>
1500–1530	Afternoon tea Exhibition Hall
	Keynote session Hall C
1530–1600	Keynote 3: Achieving superior aesthetics with immediate implant placement and immediate restoration: A CAD/CAM approach Dr Harold Baumgarten <i>Sponsored by Biomet3i</i>
1600–1630	Keynote 4: No compromise: managing implants in compromised sites Dr Bach Le <i>Sponsored by BioHorizons</i>
1630–1700	Keynote 5: Peri implantitis: balancing genetics and the environment Assoc Prof Axel Spahr <i>Sponsored by Straumann</i>
1715	AOS AGM Hall C
1700	Registration and speakers' support centre closes Industry exhibition closes
1700–1800	Happy Hour Exhibition Hall

Friday 11 November 2011

0730–1700	Registration and speakers' support centre opens Industry exhibition opens

0745–0830	Private breakfast <i>Presented by MIS Australia</i>
0830–0900	Plenary session Hall C
0900–0930	Plenary 5: Patient-centred implant treatment giving reliability through simplicity (part 2) Prof Hugo de Bruyn <i>Sponsored by Henry Schein Halas</i> Plenary 6: Aesthetic determinants in implant dentistry: incisal edge & gingival contour in the maxilla Dr Fernando Rojas-Vizcaya <i>Sponsored by Astra Tech</i>
0930–1000	Plenary 7: Management of complications in sinus elevation Prof Carlo Maiorana <i>Sponsored by Henry Schein Halas</i>
1000–1030	Plenary 8: Implant dimensions: balancing mechanical demands and biology Dr Clark Stanford <i>Sponsored by Astra Tech</i>
1030–1100	Morning tea Exhibition Hall
1100	Remembrance Day <i>Moment of silence</i> Exhibition Hall
	Keynote session Hall C
1105–1135	Keynote 6: A classification for immediate implant placement: a protocol for the esthetic zone Dr Blackie Swart <i>Sponsored by Nobel Biocare</i>
1135–1205	Keynote 7: Prosthetic socket preservation techniques and their benefits Dr Paul Weigl <i>Sponsored by Dentsply</i>
1205–1235	Keynote 8: Patient centred treatment: what constitutes excellence? Olivier Tric <i>AOS speaker</i>
1235–1330	Lunch Exhibition Hall
	Keynote session Hall C
1330–1400	Keynote 9: Bone biology and bone morphogenic proteins Prof Greg Bain <i>AOS speaker</i>
1400–1430	Keynote 10: Tissue engineering of bone: is there clinical relevance? Prof Saso Ivanovski <i>AOS speaker</i>
1430–1500	Keynote 11: Inflammatory complications of dental implants Prof Mark Bartold <i>AOS speaker</i>
1500–1530	Afternoon tea Exhibition Hall

1530–1730	Concurrent sessions	
1530–1630	Hall C Concurrent: Excellence in dental aesthetics: new trends and materials in aesthetic implantology Luc and Patrick Rutten <i>AOS speakers</i>	1530–1730
1630–1730	Concurrent: Implant management of the severely atrophic maxilla Prof Dale Howes <i>AOS speaker</i>	Hall B Concurrent: Risk management session - Indemnity and Implants <ul style="list-style-type: none"> ▪ Risk Management for implant cases ▪ Implant cases: claims incidence and quantum ▪ Case studies: implant cases Dr Gerry Clausen <i>MIPS</i> Dr David Sykes <i>Dental Protection Australia (DPA)</i> Don Grant <i>Guild</i> Dr Cosimo Maiolo
1700	Registration and speakers' support centre closes Industry exhibition closes	
1700–1800	Happy Hour <i>Exhibition Hall</i>	
1900	Pre-dinner drinks	
1930–2330	Conference dinner <i>Presented by Astra Tech</i> <i>Adelaide Convention Centre, Hall F</i>	

Saturday 12 November 2011

0800–1330	Registration and speakers' support centre opens Industry exhibition opens
0815–0900	Delegate welcome tea and coffee with light breakfast <i>Exhibition Hall</i>
0900–1030	Complications session 1 Hall C Focus on prosthetics Chair: Prof Anthony Pogrel Panel: Dr Fernando Rojas-Vizcaya, Prof Dale Howes, Dr Paul Weigl, Dr Clark Stanford, Dr Cosimo Maiolo
1030–1100	Morning tea <i>Exhibition Hall</i>
1100–1230	Complications session 2 Hall C Focus on surgery Chair: Prof Anthony Pogrel Panel: Prof Saso Ivanovski, Prof Hugo de Bruyn, Prof Carlo Maiorana, Dr Bach Le, Dr Clark Stanford, Dr Blackie Swart
1330	Exhibition & registration closes
